By Nancy Bond

A YOUTH CHOIR DINNER THEATER FUNDRAISER

**APRIL 26 & 27, 2018**

**FLC | 6:30 PM | \$15**

# Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week! Hearing assistance devices are available for the Sanctuary. Please see an usher to obtain these aids. Enjoy fellowship, coffee, and snacks in the Family Life Center Gym between worship services.

## Our Vision

Christ-centered, multigenerational, family and community relevant ministries through worship, discipleship, and mission.

## Our Mission

**REACH, TEACH, and SEND**

We **REACH** out to our congregation, community, and the world to **TEACH** the word of God as provided in the Holy Scripture, and **SEND** our members and missionaries to be witnesses to God's grace and His promise of eternal life to us through the death and resurrection of Jesus Christ.

## Worship Services

### Break Free

Our Saturday evening service begins at 6:00 pm in the Family Life Center. This transformational service involves modern music, multimedia, and a style of preaching that is practical and participatory.

### Traditions

At 8:00 and 11:00 am Sunday mornings in the Sanctuary we celebrate through the rich traditions of our faith such as hymns led by organ and piano, seasonal vestments, and traditional Methodist liturgy. Our Chancel Choir leads the 11:00 service.

### Connect

At 9:30 Sunday mornings in the Sanctuary we engage in a four-fold service of gathering praise, service of the Word, Holy Communion with candle stations for prayer, and sending forth. The music is a blend of contemporary praise songs and upbeat hymns.

### Freedom

At 11:07 Sunday mornings in the Family Life Center Gym we worship through modern music, multimedia, and a teaching style message in a non-traditional atmosphere. We come to God as we are to experience the freedom of not having to stay that way.

Kneeling at the foot of the cross of Christ and surrendering to His Lordship is a radical act of dethroning yourself and enthroning Christ as King. We have small groups throughout the week so you can find your place to go **ALL IN** with Christ.

## Philip's Focus

### **Please Read, As I Hope This Will Get You Pumped and All IN**

The year 2018 is off to a great start. The sights, sounds, and signs are compelling and winsome! Let me share some of the things I am observing with you.

In the first three and a half months of this year, our leadership has been stepping up! Again! I hear the sounds and see the sights of laity pulling chairs up to tables and strategizing for the future! Our master planning team is working in tandem with an architect on a Master's Plan. We are seeking to prioritize the plan now. There has been an incredible amount of energy poured into this process. The input from the congregation has been steady for two years. There have been a few surprises along the journey. We have added a new growth initiative to address some of the challenges, changes, and opportunities facing our congregation. The aim is growing our congregation into the future. Are we where we thought we would be two years ago? Probably not. Are we more prepared to address the future planning now than two years ago? Absolutely So!

Our Staff-Parish committee has been tireless at work this year. SPR is beginning to address strategies for staffing in ways more relevant to our present context and future growth. There is positive movement. One of the signs of positive movement is hiring a new staff member to lead our Student Ministries. (Read the article by Brian Dale for more details about David Garvin.) And there likely will be new strategies for strengthening our staff emerging in the coming months!

Our Lead Team (chairpersons of Church Council, Finance, SPR, and Trustees; Lay Leader, Church Administrator, and Lead Pastor) has made a commitment to meet regularly so that together we can address "bigger rocks" which are both challenges and opportunities for our congregation. We have set up an event to help us stretch and grow with our leadership. Rev. Jeff Spiller who has consulted churches about growth for 30 years will be our resource for our leaders on May 6-7. The fruit is coming!

A couple of months ago a new team of persons met to address some of the changes and challenges in more recent years with our 11:07 Freedom Service. The session began with listening for some honest feedback. In very nimble fashion, some positive steps to be taken were quickly identified and swiftly implemented. Thanks to a very cooperative team effort of both staff and lay persons, we have seen our 11:07 service already energized with some positive upward movement. The momentum appears to be moving positive again! We have also implemented some of these changes at our other worship services.

*continued*

*continued*

Our After School Program is making a positive difference in our church and community. This newer ministry was recently reviewed by our church leaders to gain understanding, address needs, and offer help for the future. In this process, we learned the After School Program is dramatically impacting children and families in our community. Our church leaders were inspired to hear these kids are being impacted in both word and deed for Jesus!

There are many other positive sights, sounds, and signs around us. A confirmation class was received at 11:07 service last Sunday which followed a weekend retreat! New small groups meeting for the ALL IN study began this week. A recent journey of Holy Week and special services continues to inspire our congregation and community as we continue to live as Easter people.

In addition, the sights and sounds of children are increasing on our campus. We had abundant children in an amazing Easter Fest a few weeks ago! (The most I had seen in a while!) We seem to have positive and upward movement with both our children and student ministries! Lately, I have noticed the wonderful sounds of children filling and playing in our courtyard awaiting completion of a new playground! (There is no greater sound than children in the church!)

A 12x12 Thursday day team is learning, loving, and leading together and seeking ways to make disciples. Prayer teams are praying! Worship is alive! We have vibrant worship five times a week on our campus! Applause is more frequent in our congregation! The spirit of hospitality in our congregation is beginning to increase to greet our guests! All these signs point toward a hopeful future beginning to emerge. And these are just some of the sights, sounds, and signs on our campus. Our church continues to be dynamic in offering so many varied and wonderful things all year long and alive seven days a week! Alive and worth the drive!

On one other note, let me just add, I see growth in expanding our inner core of commitment. Growth of the inner core is essential for growth outward. In some ways, our spiritual impact now is greater than a few years ago. This growth of the inner core of commitment in our church and spiritual impact is something we can build on!

Well, I think I broke a record of exclamation points for this article but I wanted to share with you some of the positive sights, sounds, and signs of our church! God is blessing our congregation! Maybe it's because we are more focused on the real reason we are all here at Shalimar UMC! Is this not the time to be giving it all to Jesus? Let's get pumped and ALL IN for Jesus!

Shalom,  
Philip

# This Week's Guide for Groups & Individuals

## Next Week's Readings:

Read *All In* by Mark Batterson, chapters 5-9.

Matthew 21:12-13, 15:1-9, Luke 4:31-37, Matthew 16:17-18, Philippians 3:12-14

"The Christian faith was never meant to be an easy road, a painless journey, or a simple three-step adherence to a set of beliefs. To follow Jesus' demands we give everything and invest all we have, and are, for the One who has laid down everything for us. He gave His life for us. The question is: Will we give our lives for Him?"

If you were to travel someplace to follow Jesus, and could only take one bag, what would you take with you?

Read Luke 9:23-25.

- What does it mean for you to carry your cross and follow Jesus?
- How have you denied yourself this week?
- How do Christians play it safe instead of taking a risk for Christ?
- How do Christians today in America take risks for Christ?

Read John 3:27-30.

- How do we know if Jesus is the center of our universe?
- Think about a time in your life when Jesus was the center when you were all in. What got you there?
- If you're not there now, what can you do to change your orientation?

Read Matthew 4:18-22.

- How can you increase your devotion to Christ today, in this moment right now?

Read Joshua 3:5.

- How can you consecrate yourself, set yourself apart, for God and his work in this world?

### CHECK IT OUT!!!!

Excited to let you know of several wonderful books now available to you!

Reading Kathie Lee Gifford's *the ROCK, the ROAD, and the RABBI* is to walk with Kathie, Ray Vander Laan and Messianic Rabbi Jason Sobel through the spiritual foundations of our Faith. It was, for Gifford, a journey into the heart of spiritual Faith in the Holy Land. For the reader, it is an exciting opportunity to discover the Truth of the Bible as the three wander on paths where Jesus walked and to learn what certain passages in the Bible truly mean. And if you've been to Jerusalem, reading this new book will take you back as it lifts you up!

Another relatively new publication is David Jeremiah's *Revealing the Mysteries of Heaven*, a compelling book that answers our questions about Heaven. Believing that we need to think about Heaven now, Jeremiah knows that what we think about Heaven determines how we live today. And he promises that when we get there, we'll receive a grand welcome! A must read!

Author Colleen Coble, well-known for her romantic suspense novels, offers her *Aloha Reef Series* in 4 books; *Distant Echoes*, *Black Sands*, *Dangerous Depth*, and *Midnight Sea*. We've got them all!! And they're good!!

Look for all of these recommendations on the Library table!

David Garvin will be joining us June 1st as our new Director of Youth Ministries. David grew up in Panama City, and is graduating in May from Asbury Theological Seminary with a Masters in Divinity. He is being commissioned as a Provisional Deacon in the Alabama-West Florida conference in June. For David, family ministries is not a stepping stone to something else, but a special calling from God, to be his main focus of ministry. We are very excited to have him as part of our team. When David arrives in June, be sure and give him a warm Shalimar welcome!
