# Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week! Hearing assistance devices are available for the Sanctuary. Please see an usher to obtain these aids.

Enjoy fellowship, coffee, and snacks in the Family Life Center Gym between worship services.

## Our Vision

Christ-centered, multigenerational, family and community relevant ministries through worship, discipleship, and mission.

## Our Mission

**REACH, TEACH, and SEND**

We **REACH** out to our congregation, community, and the world to **TEACH** the word of God as provided in the Holy Scripture, and **SEND** our members and missionaries to be witnesses to God's grace and His promise of eternal life to us through the death and resurrection of Jesus Christ.

## Worship Services

### Break Free

Our Saturday evening service begins at 6:00 pm in the Family Life Center opening with a gathering and fellowship time at 5:30 pm. This transformational service involves modern music, multimedia, and a style of preaching that is practical and participatory.

### Traditions

At 8:00 and 11:00 am Sunday mornings in the Sanctuary we celebrate through the rich traditions of our faith such as hymns led by organ and piano, seasonal vestments, and traditional Methodist liturgy. Our Chancel Choir leads the 11:00 service.

### Connect

At 9:30 Sunday mornings in the Sanctuary we engage in a four-fold service of gathering praise, service of the Word, Holy Communion with candle stations for prayer, and sending forth. The music is a blend of contemporary praise songs and upbeat hymns.

### Freedom

At 11:07 Sunday mornings in the Family Life Center Gym we worship through modern music, multimedia, and a teaching style message in a non-traditional atmosphere. We come to God as we are to experience the freedom of not having to stay that way.

# Philip's Focus

## What Do We See in 2020 for Shalimar UMC?

This week, I spent three days praying and planning. It has been good to get out of my schedule and do some long term planning personally and in my work as a lead pastor. In this time, I have prayed for wisdom to lead Shalimar United Methodist Church with both the challenges we face and exceptional opportunities before us. In the midst of all the planning, I have sought the Holy Spirit to guide me. Some of you have offered prayers for the fruitfulness of these days and I thank you. A few times I have glimpsed what could be for Shalimar UMC in 2020. It is exciting to think about where God is leading us in these times.

We do have our challenges as a congregation. Our church facility footprint has always been small but our handprint for ministry has always been large. Our immediate community is landlocked and our greater region is frequently going through change. How do we continue to grow broader in our impact for Christ? These are the kinds of questions I have been wrestling with for a few days. I do trust our current status as a congregation is a transition stage for something exciting that God has in front of us. What could the future look like at Shalimar UMC?

Shalimar UMC has strong children and youth ministries! Can we imagine a wave of momentum to boost both of these ministries in the next three years? What if we proactively added both staff and volunteers to grow and offer distinctive programming to cater to specific ages. Imagine a boom in both reaching the children and youth in the coming years. It can happen!

One of the fastest growing demographics in our region is seniors. The population is growing older and staying productive longer. As Ken Winzeler pointed out to our Master Planning Committee, our seniors are the growing edge of our population. Seniors living and staying productive longer is a trend that likely will continue. The good news is that churches like Shalimar UMC can benefit from this growing segment of the population and use the wisdom, mentoring, gifts, and positive contributions to our community. What a blessing to have all of this wisdom in our community! Shalimar UMC could be a hub for such wisdom!

The area that remains a focus in my planning is making disciples. What if by 2020 we had 1000 people involved in growth groups to grow as disciples of Jesus. If we continue to cultivate leadership and disciples this kind of exponential growth is possible! This would require growing our capacity of leaders and weekly opportunities. This goal of 1000 growing in growth groups would include Sunday School, Disciple Bible Study, prayer groups, life groups, Emmaus, Bible Studies, existing classes, new classes, and new discipleship teams such as 12x12. In 2023, or before, Haverty's space will be available for use for ministry. If we can see growth in children, youth, seniors, and disciples heading toward 2020...the Haverty's addition will be even more exciting.

These are also exciting times for the general church! There seems to be a greater interest in prayer, the power of the Holy Spirit, and making disciples. Our world needs Jesus. Some would call this a time of revival and it appears imminent. God is at work in these challenging times. In such times historically, the Church has thrived. Let it be so in the coming years!

Shalom,  
Philip

# SPLASH of JOY

## Bible Studies

**Splash of Joy I** will begin their journey into the Bible together on Wed, Aug 30th, from 9:30-11:30 am in FLC Room 106. Please join us as we study *Finding I Am* by Lysa TerKeurst. We will explore the seven I AM statements of Jesus found in the Gospel of John. Through this study we will learn to trade feelings of emptiness and depletion for a more personal fulfillment in knowing who Jesus is. You can learn to live with the freedom God has for you and gain a better understanding of how Jesus' words 2,000 years ago are so very applicable to the answers you are searching for today. Perhaps you'd like to invite a friend to come with you. If you've NEVER been to a study, that's OK. We love learning and growing together. Although this is a large group of women, we will break into smaller groups for homework discussion and prayer. Fellowship is so vital for our growth as disciples. Your children or grandchildren are always welcome in our nursery. Books will be available the first day of study. If you have questions, you may contact leader, Sara Michaelson, [Mike2mike23@gmail.com](mailto:Mike2mike23@gmail.com) or 863-9722.

At Shalimar UMC, we do three things, “Reach, Teach, Send.” There are endless ways to Reach out to others. I would like to invite you to pray about joining me on Saturday, August 26 in Greenville, AL.

I am going to a conference event called “Steeple to the Street Training Day.” They explain the purpose of this training as a “learn how to dig into your mission context, receive instructions for how to prayer walk in your local community, and how to start considering what kinds of fresh expressions might impact your context.”

A Fresh Expression is a contextual Christian church that is formed through a group of people who aren’t members of any church. They become a unique church community outside the walls of the church and are an extension of our church in our community.

This training day is perfect for anyone who has a passion for people who feel uncomfortable in traditional church buildings or for anyone who has a deep desire to bring people who don’t know God closer to him.

The training starts at 9:30 am so we would leave the church at 7:00 am and return home by 5:00 pm. The cost is \$35.00, and lunch is provided. If you have questions or are interested in going, please contact me at [faith@shalimar-umc.org](mailto:faith@shalimar-umc.org) or 850-420-9888. You will need to pre-register.

## CHECK IT OUT !

So exciting to be able to put good books into children's hands, which is what we were able to do at our recent Back to School Bash! Thanks to you and your generous donations of both books and money, almost 100 books went home with kids who came for this most wonderful community out-reach event! Let's do it again next year!! As Dr. Seuss has said, "The more you read, the more you know!"

Your book donations continue to amaze and offer opportunities for spiritual growth at all levels of understanding. A 2-volume set by Colin Smith, *Unlocking the Bible Story*, is a wonderful case in point, offering easy to "see" answers of how the pieces of the Bible all fit together into the jigsaw of God's revelation. It has been called, simply, "a breath of fresh air" in understanding how God has worked throughout the ages. Hope you'll check them out from our Research shelves.

Nothing inspires more than the stories of courage from Christians who have served around the world and Beth Moore's, *Voices of the Faithful* certainly offers inspiration. It is a collection of stories of those who have put their lives on the line for God. Be inspired!

And whatever you do, visit the library soon ... we might have just what you've been looking for or needing!

**Merge 2 Young Adult group (age 23-30 and beyond)**  
Thursdays | 6:30–8:00 pm  
Young Adult Leader: Alicia Shields

It's something we are faced with everyday: whether to relate or not relate to the countless people in our circles. From the time we are born, relationships are constantly shaping who we are and how we react to the world around us. We are all looking to have healthier, more meaningful relationships, so where do we start?

Our ability to relate to others begins with our ability to receive what God has given and is giving us. We have to be able to receive what God has for us before trying to have a meaningful relationship with ourselves and with those around us.

Relat(able) looks at relationships the way God intended for them to be; looking at how we relate to God, ourselves, our parents, our friends, in dating and marriage, and in relationships that seem impossible to fix. What if instead of looking for the right person, we become that person, that friend or spouse everyone is looking for? What if we start holding ourselves to the standards we expect of those around us? We only have one life to leave a permanent mark on eternity; why not make our relationships count.

“Let us not love with words or speech but with action and truth” 1 John 3:18

Did you know that within our church we have a mission called The Faith Backpack Program? Since 2008, over 35 faithful members support this mission with their time and talents to ease weekend hunger of children attending Shalimar Elementary and Meigs Middle School.

These children are identified through their schools guidance department as high risk for food insecurity. Each Wednesday during the school year our volunteers pack 65 bags containing two meals and deliver them to the schools. Knowing these children have food for the weekend is a huge comfort and is often what carries them over until their school lunches the following week.

The funding for this mission does not come from the churches annual budget. It is funded by private donations from the incredible members of our church over and above their annual giving. Should you feel led to help - donations are always accepted by contacting the church office or through placing your donation in Sunday's offering plate.

Interested in volunteering for this rewarding ministry! Feel free to contact Tracey Bethea with any questions you might have at [traceyjbethea@gmail.com](mailto:traceyjbethea@gmail.com) or 865-4681.

Please join me this Sunday, August 13th in the 11:07 am Worship Service to receive your new Bible.

**ACOLYTE TRAINING:** For all upcoming 3<sup>rd</sup>-8<sup>th</sup> graders. Acolytes light the candles in the 11:00 am worship service only and help with offering and communion. Meet me in the sanctuary on Sunday, August 13th at 12:15 pm for training. It should last 20 minutes or so.
