PLEASING GOD LOVING PEOPLE

The Beacon
October 27, 2019

Welcome to Shalimar UMC

We are so glad you've chosen to worship with us this week! Hearing assistance devices are available for the Sanctuary. Please see an usher to obtain these aids. Enjoy fellowship, coffee, and snacks in the Family Life Center Gym between worship services.

Our Vision

Christ-centered, multigenerational, family and community relevant ministries through worship, discipleship, and mission.

Our Mission

REACH, TEACH, and SEND

We **REACH** out to our congregation, community, and the world to **TEACH** the word of God as provided in the Holy Scripture, and **SEND** our members and missionaries to be witnesses to God's grace and His promise of eternal life to us through the death and resurrection of Jesus Christ.

Worship Services

Traditions

At 8:00 and 11:00am Sunday mornings in the Sanctuary we celebrate through the rich traditions of our faith such as hymns led by organ and piano, seasonal vestments, and traditional Methodist liturgy. Our Chancel Choir leads the 11:00am service.

Connect

At 9:30am Sunday mornings in the Sanctuary we engage in a four-fold service of gathering praise, service of the Word, Holy Communion with candle stations for prayer, and sending forth. The music is a blend of contemporary praise songs and upbeat hymns.

Freedom

At 11:07am Sunday mornings in the Family Life Center Gym we worship through modern music, multimedia, and a teaching style message in a non-traditional atmosphere. We come to God as we are to experience the freedom of not having to stay that way.

31 Day Prayer For Our Pastors Challenge

October is Pastor Appreciation month, and It is my hope that you already pray for SUMC and our Pastors on a regular basis. On behalf of the Tuesday Night Prayer Group and the Prayer Ministry Team, I would like to invite each of you to join us in a commitment to pray for our Pastors (Pastors Philip, Brian, Faith, Brad, and David) each day during the month of October.

We hope that we can count on your support to pray for our Pastors and SUMC for each of the 31 days in October. We are not asking for a time, only a daily commitment to prayer. You will be provided with a "31 day Pray for Your Pastors Challenge" to aid you in praying daily. I know some of you are already praying, and I thank you for doing so.

With all that is happening in this world right now, prayer is more important than ever. What better way to help do our part in changing the world than to start right here at SUMC. It is my belief that prayer *does* make a difference, so please join us in praying for our pastors each day during the month of October and hopefully continue each day of the year. This could very well be the best gift you could ever give to our pastors for such a time as this.

"God begins answering when the Prayer is made. Prayer triggers the actions in Heaven" (Max Lucado, *Before Amen*).

Thank you in advance for your support.

Splash of Joy I WOMEN'S BIBLE STUDY

Splash I invites YOU to new study, beginning Wed Oct 23, 9:30-11:30 in rm 106. This 6 week study is from the book of Joshua and is titled WINNING THE WORRY BATTLE. The question is: "Have you ever tried to fight worry and felt you were losing the battle?" We know we shouldn't worry and comments like "God's got this!" or "Just pray about it!" can leave us feeling defeated and discouraged. We will learn practical tools to bravely battle worry. On Oct 23, we will receive our study books with homework for each of the 6 weeks, watch an introductory video, and share a lovely brunch together. If you are new, you are our guest, so just come hungry!!! We look forward to seeing you there. Nursery is provided. If you have further questions, please contact Sara Michaelson at 865-3343.

Philip's Focus

A Can Do Attitude

Do we spend more time focusing on what we can do or what we cannot do? When we look into the future, do we see endless possibilities or only problems? When we seek to follow Jesus, do we grow in the spirit of Philippians 4:13 "I can do all things through Christ who strengthens me"?

An elderly minister was on his deathbed and a young minister asked "what is the best advice you can give me for the church?" The weak and worn minister managed to become animated with the question and raised his voice "TELL THE PEOPLE YOU CAN!" What a powerful gift to leave this young pastor. YOU CAN!

Our Methodist founder, John Wesley believed the same thing. His lingering words illustrate the many dimensions of "YOU CAN!"

Do all the good YOU CAN
By all the means YOU CAN
In all the ways YOU CAN
In all the places YOU CAN
At all the times YOU CAN
To all the people YOU CAN
As long as ever YOU CAN

The Apostle Paul also knew that with God's help, anything is possible. His conviction is stated in the immortal words "I can do all things through Christ who strengthens me" (Philippians 4:13).

We at Shalimar are a church with both opportunity and possibilities. Let our attitude be "I CAN do all things through CHRIST who strengthens me. Let us focus on what is possible in the LORD!"

continued

I look forward to seeing you this Sunday in worship as we see with God's help what we CAN DO!

Shalom,
Philip

We Have the Right Answers, But Are We Asking the Right Questions?

In a recent article from the Lewis Center on Church Leadership, Quincy Brown reminds us that the key to problem solving often lies in asking the right questions. Like many churches, Shalimar is working hard to address the new realities of church life. We are asking questions like “How do we get new and younger people to come to church (and honor our traditions)? How do we address the problem of shrinking congregations? How do we support a large church infrastructure with shrinking dollars? Where do we draw the line in accepting the culture versus being countercultural?”

These are all good questions worth considering. Meanwhile, the people in our community are asking different questions. Most are not as concerned with salvation much less with the institutional church. Yet they still have questions we are well prepared to address such as “What is the meaning of life? Do I have a purpose or any intrinsic value? How can I find joy? Is there any real truth or moral center?”

There is one question they often do NOT ask because they think they know the answer. “Is the church a relevant resource for me as I seek life’s meaning?” Sadly, as people observe the way the world works and how many Christians behave, they come to the conclusion that the church is out of touch and irrelevant if not malevolent. In reality, the church is radically benevolent and as relevant as ever. This is because while the world changes (and church practices lag behind), the deeper issues of life remain the same. At its best, the church continues to deal with profound questions that confront every generation and respond to world problems with benevolence like no other institution in history.

A good starting point for helping people discover the relevance of church is to invite people to come. We know that 2/3 of the people who are invited to church by a friend say yes and the number is half that when invited by the pastor. The Institute for American Church Growth surveyed 10,000 church goers and asked, “What was responsible for your coming to Christ and this church?” The answers may surprise you:

continued

1% visited
2% had a special need
3% just walked in
5% liked the Sunday School
6% liked the minister
3% liked the programs
79% were invited by a friend or relative

This tells me that while we focus on the quality of preaching, worship, and programs (as we should), it is the personal invitation by the church member that makes all the difference.

Perhaps you have a new friend or someone you've known for years who has shown no interest in church. Maybe they used to go to church but had a bad experience. Whatever the situation, a heartfelt invitation can make a huge difference in that person's life. Is your church family important to you? Do you believe Christ holds the answers to the most burning questions? Then share it!

Reaching a "Century" Mark At Blessings For Children

This month, we served our 100th child through the Blessings for Children ministry and want to share with you who these children are. They are children in need, ages newborn through 5th grades, who live in two parent or single parent households, or with a grandparent. Their parents are working, in the military, unemployed, disabled, seeking work, or maybe in jail. They live in shelters, tents, hotels, or they may live next door to you. They come to us from Sharing and Caring, Fresh Start, the Health Department, schools, word of mouth, our own church family, and other groups that know children

whose families cannot meet all their needs.

With your support, SUMC's Blessings For Children ministry has been able to step into that needs gap and share clothing, personal care items, and school supplies with children ages newborn through 5th grade. Each Wednesday from noon to 3:30 pm in the #10 2nd Street house behind the church, we try to ease a family's stress. Volunteers meet with them and share God's love and hope. They talk with them, hear their prayer concerns, meet their practical needs, offer Christian materials and invite them to participate in our church's offerings. In short, we connect them with the love and hope of God.

The number of children we help growing, so please join us in helping to continue this ministry in any of the following ways:

- Pray for this ministry and all who participate
- Volunteer once a month (no computers, just helping people!)
- 3rd Sunday of each month, donate any of the items we distribute. Diapers, wipes, socks, underwear, toothpaste, toilet paper are always needed and a complete list of items we distribute can be found on our webpage (below). Bins are located in the sanctuary narthex or the Family Life Center lobby. Donations can also be brought to the #10 2nd St. house on Wednesday afternoons between 11:30 - 3:30 pm
- Consider a financial contribution designated for Blessings for Children.

SUMC will continue to hear "the cry of the needy" and we thank you for allowing Blessings for Children to be a part of meeting those needs.
